On July 21-22, NJICLE will host the 2019 Family Law Summer Institute. Judge Ronny Jo Siegal will be a guest speaker at the event.

Every summer approximately 150 family lawyers come to the Law Center to attend an information- packed two-day program, which reviews almost every aspect of family law practice.

There's something for every family lawyer at the Family Law Summer Institute. Those just starting out benefit from hearing a large and authoritative panel of matrimonial attorneys and judges discuss how to conduct client interviews, deal with adversaries, and negotiate, settle and try cases. Experienced attorneys benefit from hearing fresh insights and nuanced perspectives about how to handle complicated and ethically challenging problems that often arise in family practice.

The Institute provides attendees with an opportunity to interact and learn from speakers who devote most of their professional lives to family court matters. Individuals seeking to enter into or expand their family law practice, as well as those wanting to learn more nuanced perspectives about matrimonial issues, will benefit from attending. Register today to build your family law skills at this Intensive 2-Day Institute.
