
Lana Ros Presents Webinar on "Getting into the Weeds with Medical Marijuana" for the New Jersey Center for Tourette Syndrome

RELATED PRACTICE AREAS

Cannabis & Hemp Law

Virtual Event

9.23.21

On September 22, 2021, Svetlana (Lana) Ros, chair of the Health Care practice at Pashman Stein Walder Hayden, presented at a webinar hosted by the New Jersey Center for Tourette Syndrome, "Getting into the Weeds with Medical Marijuana." Ros discussed the expansion of the New Jersey Medical Marijuana Program in the recent years, the legal changes, how to navigate the legal process in getting approval of medical marijuana for Tourette Syndrome patients, and addressed common questions that arise pertaining to participating in the Program.
