Joseph A. Hayden, Jr., Co-Chair of the Criminal Defense and Governmental and Internal Investigations practice at Pashman Stein Walder Hayden, was quoted in the Insider NJ article, “Hayden: Cuomo Tries to Put His Best Face on a Dire Situation.” InsiderNJ turned to legal counsel Joe Hayden for his thoughts on New York Governor Andrew Cuomo’s resignation announcement:

“He’s doing his best to put a good face on a dire situation,” said Hayden, a veteran defense attorney. “His real problem is a potential criminal charge because at least one allegation, the allegation of groping, would almost certainly require a prosecutor to open an investigation if the victim presses the issue.

“He had nowhere else to go,” Hayden added. “He would have been subjected to death by a thousand cuts.”
