Bruce Rosen was quoted in *The Christian Science Monitor* article “Why free speech is under attack from right and left.” The article discusses how freedom of speech is being attacked in new ways by both the political right and the political left.

“The old guys who remember the flag of Skokie and other free speech battlegrounds like me, they’re dying off;” says Bruce Rosen, a “proud member” of the ACLU and a former board member of a local chapter in New Jersey.
