On Sunday, April 8, 2018 seven Pashman Stein Walder Hayden attorneys -- Mike Stein, Jay Colao, Erik Corlett, Tracy Julian, Zach Levy, Brendan Walsh, and Marc Yenicag -- and the firm's Operations Administrator, Jessica Flynn, conquered their fears and went over the edge of the ELLKAY building in Elmwood Park, NJ. The team raised more than \$7,600 for Alpine Learning Group, a New Jersey-based nonprofit that is an internationally recognized leader in the field of autism treatment and education.

Donations are still being accepted and we encourage you to support the team's effort and donate to Alpine Learning Group.
