Jennifer Borg: Former Record executive talks about Bridgegate and her new role as first amendment lawyer

By Brett Johnson

Jennifer Borg is still doing work for the newspaper group that her family sold, as well as the larger family business.

“You won’t believe the emails I just uncovered.” Her inbox blinked with that message at 3:30 a.m., so she fired off a reasonable reply: “What are you still doing up?”

Following a coffee, a less terse exchange and a lot more work, Jennifer Borg and a colleague, a reporter at The Record newspaper, would go on to obtain all the records needed to verify a major story — the one that exposed the Bridgegate scandal. [MORE](#)
