Pashman Stein Walder Hayden Attorneys Alan Silber, CJ Griffin and Ronny Jo Siegal are set to present on in Jersey City on May 10th at The Twelfth National Clinical Conference on Cannabis Therapeutics hosted by Patients Out of Time.

The Pre-Conference Policy Workshop: Medical Cannabis in the States of Confusion is scheduled for Thursday, May 10, immediately prior to the conference. Patients Out of Time will offer a policy seminar featuring experts in law, science, and policies. This workshop is suited for people at all levels, from the novice to the most seasoned. CLEs will also be available, as well as credits for healthcare professionals.

Alan, CJ and Ronny Jo will tackle the following subjects:

Alan Silber

Where We Are: The Invention of Criminality and The Myth of 'No Accepted Medical Use'
Schedule I & Federal Prohibition. The Endocannabinoid System. Preemption. Asset forfeiture. Civil vs criminal penalties. Obama-era memos & amendments versus Sessions. Barriers to research and treatment. International treaties. Interstate (travel, treatment, products, reciprocity).

CJ Griffin

Employment & Housing (for patients and consumers)
Drug Testing. Impairment (employment related & driving). Landlord/tenant rights (incl. Section 8). Hiring & Firing (incl. ADA).

Ronny Jo Siegal

Children & Families
As patients. With parents as patients. As victims of the drug war —

CPS/DYFS. Chemical endangerment. Drug testing.
