Pashman Stein Walder Hayden is excited to be a part of Alpine Learning Group's upcoming "Over the Edge" fundraising event to raise much needed funds and awareness for the increasing demand for autism services.

Mike Stein the Firm's Managing Partner, along with Jessica Flynn the Firm's Operations Administrator will join six attorneys: Jay Colao, Erik Corlett, Tracy Julian, Zach Levy, Brendan Walsh, and Marc Yenicag to rappel off the ELLKAY building at 200 Riverfront Boulevard in Elmwood Park, NJ on Sunday, April 8, 2018. Alpine is holding the event in honor of Autism Awareness Month.

"We are thrilled to be a part of Alpine Learning Group's inaugural Over the Edge event," said Brendan Walsh, Alpine Learning Group's Board of Directors President and Pashman Stein Walder Hayden partner. "Alpine Learning Group has the courage to positively impact the autism community and we would like to show our courage by supporting them and descending down one of Elmwood Park's tallest office buildings."

"We put the same professional energy into our community as we put into our clients' needs," said Michael S. Stein, Pashman Stein Walder Hayden's managing partner. "Although I am nervous about rappelling off the side of a building I am excited to go "Over the Edge" to raise money and awareness for autism."
