Pashman Stein Walder Hayden is proud to announce that the firm's Women's Leadership Committee hosted a continuing legal education seminar on how women lawyers can use grit to bring success. The program was hosted over breakfast at Pashman Stein Walder Hayden's Hackensack office on September 20, 2019.

There were over 30 female lawyers in attendance from a variety of organizations to network and share their experiences. The CLE covered scenarios women attorneys face including career advancement, workload demands, and fair treatment.

"The firm and our Women's Leadership Committee is proud to hosts events like this for our colleagues, friends, and clients," said firm Partner, and Women's Leadership Committee member, Naomi Becker Collier, who spearheaded the event. "We are inspired by the significant and positive changes we see for women in our profession and want to foster women's efforts to obtain leadership roles in their respective organizations."

The Women's Leadership Committee is planning additional events in the coming months that aim to inspires women attorneys to develop as leaders, both in their profession and the world at large.
