2.16.17

This week, Assembly Bill A4532 passed out of the State and Local Government Committee and will likely be voted on by the Assembly at some point in the near future. This bill will severely hinder transparency in this State in two ways.

First, A4532 creates a new exemption for “personal government records,” which are defined as records “that consists of or pertains solely to a pet or home alarm system permit, license, or registration.”
